About the Oxfordshire Joint Health Overview & Scrutiny Committee

The Joint Committee is made up of 15 members. Twelve of them are Councillors, seven from Oxfordshire County Council, and one from each of the District Councils – Cherwell, West Oxfordshire, Oxford City, Vale of White Horse, and South Oxfordshire. Three people can be co-opted to the Joint Committee to bring a community perspective. It is administered by the County Council. Unlike other local authority Scrutiny Committees, the work of the Health Scrutiny Committee involves looking ‘outwards’ and across agencies. Its focus is on health, and while its main interest is likely to be the NHS, it may also look at services provided by local councils which have an impact on health.

About Health Scrutiny

Health Scrutiny is about:

- Providing a challenge to the NHS and other organisations that provide health care
- Examining how well the NHS and other relevant organisations are performing
- Influencing the Cabinet on decisions that affect local people
- Representing the community in NHS decision making, including responding to formal consultations on NHS service changes
- Helping the NHS to develop arrangements for providing health care in Oxfordshire
- Promoting joined up working across organisations
- Looking at the bigger picture of health care, including the promotion of good health
- Ensuring that health care is provided to those who need it the most

Health Scrutiny is NOT about:

- Making day to day service decisions
- Investigating individual complaints.

What does this Committee do?

The Committee meets up to 5 times a year or more. It develops a work programme, which lists the issues it plans to investigate. These investigations can include whole committee investigations undertaken during the meeting, or reviews by a panel of members doing research and talking to lots of people outside of the meeting. Once an investigation is completed the Committee provides its advice to the relevant part of the Oxfordshire (or wider) NHS system and/or to the Cabinet, the full Councils or scrutiny committees of the relevant local authorities. Meetings are open to the public and all reports are available to the public unless exempt or confidential, when the items would be considered in closed session.

If you have any special requirements (such as a large print version of these papers or special access facilities) please contact the officer named on the front page, giving as much notice as possible before the meeting

A hearing loop is available at County Hall.

- (a) fail to register a disclosable pecuniary interest within 28 days of election or co-option (or re-election or re-appointment), or
- (b) provide false or misleading information on registration, or
- (c) participate in discussion or voting in a meeting on a matter in which the member or co-opted member has a disclosable pecuniary interest.

Whose Interests must be included?

The Act provides that the interests which must be notified are those of a member or co-opted member of the authority, **or**

- those of a spouse or civil partner of the member or co-opted member;
- those of a person with whom the member or co-opted member is living as husband/wife
- those of a person with whom the member or co-opted member is living as if they were civil partners.

(in each case where the member or co-opted member is aware that the other person has the interest).

What if I remember that I have a Disclosable Pecuniary Interest during the Meeting?.

The Code requires that, at a meeting, where a member or co-opted member has a disclosable interest (of which they are aware) in any matter being considered, they disclose that interest to the meeting. The Council will continue to include an appropriate item on agendas for all meetings, to facilitate this.

Although not explicitly required by the legislation or by the code, it is recommended that in the interests of transparency and for the benefit of all in attendance at the meeting (including members of the public) the nature as well as the existence of the interest is disclosed.

A member or co-opted member who has disclosed a pecuniary interest at a meeting must not participate (or participate further) in any discussion of the matter; and must not participate in any vote or further vote taken; and must withdraw from the room.

Members are asked to continue to pay regard to the following provisions in the code that *“You must serve only the public interest and must never improperly confer an advantage or disadvantage on any person including yourself”* or *“You must not place yourself in situations where your honesty and integrity may be questioned.....”*.

Please seek advice from the Monitoring Officer prior to the meeting should you have any doubt about your approach.

List of Disclosable Pecuniary Interests:

Employment (includes *“any employment, office, trade, profession or vocation carried on for profit or gain”*.), **Sponsorship, Contracts, Land, Licences, Corporate Tenancies, Securities.**
