

Date of Meeting: 14th June 2016				Paper No: 4		
Title of Paper: Business Case for community hubs within transformed community services						
Is this paper for	Discussion		Decision	X	Information	
<p>Purpose of Paper:</p> <p>To:</p> <ol style="list-style-type: none"> 1. Summarise the plans to commission a Business Case for community hubs within transformed community services 2. Note the proposed approach including the tight timescales for completing by September 3. Note the critical element for a proposed “internal” workshop in early July (Milestone 1) to agree a long list of potential options that will be used to test through pre-consultation engagement during July/August/September to enable us to inform the shortlist of options. 						
<p>Action Required:</p> <p>The Transformation Board is requested to:</p> <ol style="list-style-type: none"> 1. Note the need for a business case for service redesign 2. Note the condensed timescales to meet the September Gateway and October launch milestones 3. Note that partner organisations have been requested to provide nominees to the July workshop as soon as possible
